1. Introduction

This manual is intended for the **Managers** of sports centers affiliated with the **GymNomads network**.

The Management Panel is the administrative tool that will allow you to control your brand's presence on the platform, monitor your registered partners, and analyze the flow of visits (both from external users who visit your center, and from your own partners who train outside).

2. Access to the Management Portal

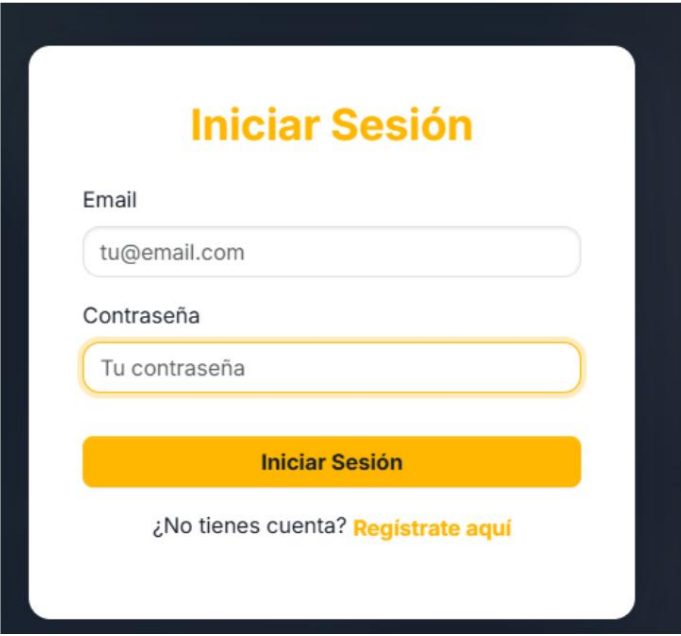

Unlike standard users, Manager accounts **do not require a public registration process.**

Access Credentials:

- Your account is generated and validated exclusively by the GymNomads Central Administration at the time of registering your gym.
- **Username/Email:** Follow the format gymname@gymnomads.dev.
- **Password:** You will be provided with a temporary password through secure channels which he must safeguard.

Login Procedure:

1. Enter your email address and password to access the website principal.
2. The system will automatically detect your **Manager** role and redirect you to your exclusive control panel instead of the basic user view.

3. Gym Registration Management

As a manager, it's vital that your gym's image is appealing to digital nomads looking for a place to work out.

3.1. Viewing and Editing

In the main **"Gyms" section**, your center will always appear pinned at the top of the list for easy access.

You will see that your card has
from a dedicated button: **"Edit"**.

By clicking on **Edit**, you can modify the visual elements of your profile:

- **Logo:** Make sure it is legible and has a transparent background if it is possible.
- **Main Image:** This is the "cover photo" that users will see.
We recommend a high-quality photo of the facilities.

3.2. Sensitive Data (Name, Address, Schedules)

For security and database consistency reasons, Managers **DO NOT**

They can directly modify the structural data of the business (Name, Address, GPS Coordinates and Opening Hours).

Change request: If you need to update your schedule or correct an address, You must contact the central administration through:

gymnomads.dev@gmail.com.

4. User (Partner) Management

In the **"Users" tab**, you have a complete list of all your gym members who have registered on the GymNomads platform.

Features:

- **Search engine:** You can quickly filter by name or email address to locate a specific partner.
- **Member Profile:** Clicking on a user will open a modal window with their details (Full name, contact phone number, seniority on the platform and identification photo).

5. Visit Control and Analytics

The **"Visits"** section is the analytical core of your management. Here you can monitor user traffic to control service usage.

5.1. Visits Received vs. Sent

The panel has two tabs at the top to switch views:

1. **Inbound Visits:** Users from *other* gyms who have come to train at their facilities.
2. **Outbound Visits:** Members of *your* gym who have visited train other cities.

5.2. Search and Filtering

To quickly locate a specific record without having to navigate through the entire history, use the **"Search by User"** text field .

You can filter the results by entering:

- The **Username** .
- The user's **email address** .

The list will be automatically updated, showing only visits that match your search.

5.4. Statistics and Metrics

For an overall view of performance, click on the **"Total Received"** (or "Total Sent") box. This will open the statistics panel, allowing you to view the volume.

trafficking:

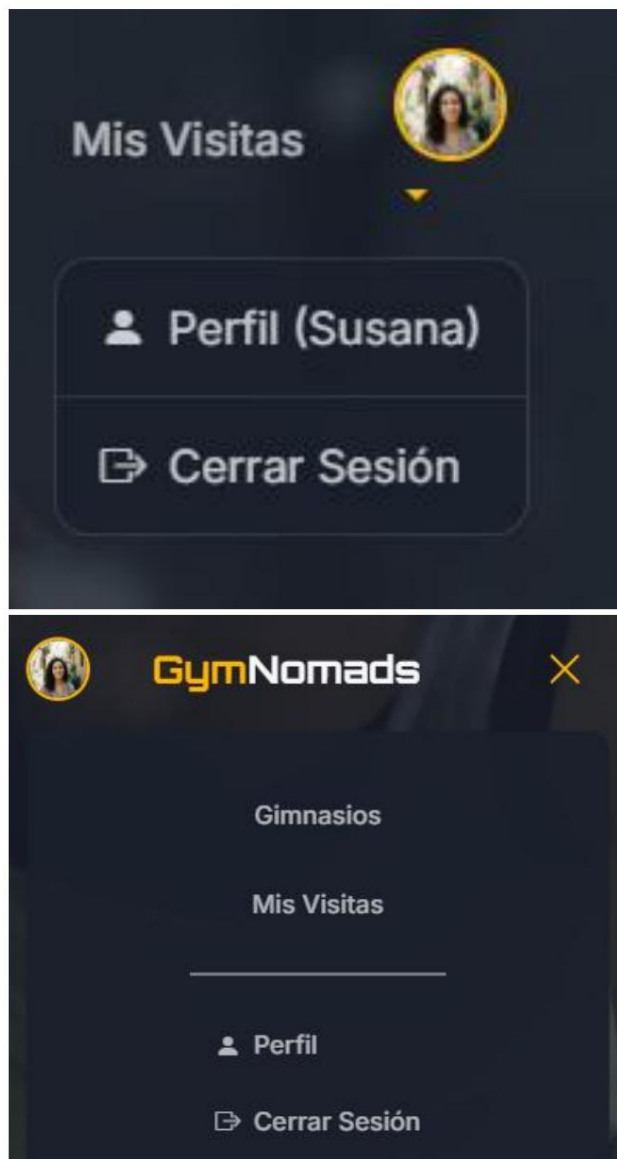

- **Today:** Real-time visits for the current day.
- **This Month:** Monthly total (useful for capacity forecasts).
- **Totals:** Complete history since registration on the platform.

6. Profile Management

How to access:

- **From the computer:** Click directly on your **Avatar** (your photo in a circle) that you will see in the upper right corner of the screen.
- **From your mobile device:** Tap the **menu** button (the three-line icon or "hamburger") and select the **"Profile" option**.

What can you modify? Once inside, you'll see a form with your information.

You can edit:

- **Profile picture:** We recommend using a recent one to facilitate access in the gym.
- **Name and Surname.**
- **Contact phone number.**

Important note: Your **email address** serves as your unique identifier on GymNomads, so **it cannot be changed** from this screen.

When you finish updating your data, don't forget to press the **"Save Changes"** button to confirm the operation.
